

# Pluxee Card

One card. Hundreds of possibilities.

## What is it?

With your **Pluxee card**, you can pay for all the benefits your company offers: food, transport, childcare, health insurance, discounts and many more benefits just for being part of **Cobee by Pluxee**.

## How does it work?

1. Activate your account on **Cobee by Pluxee** and download the app.
2. Your virtual card is ready to use for your food and/or transport benefits without having to wait for your physical card.
3. Pay with your physical card or directly from your mobile phone with your digital wallet.

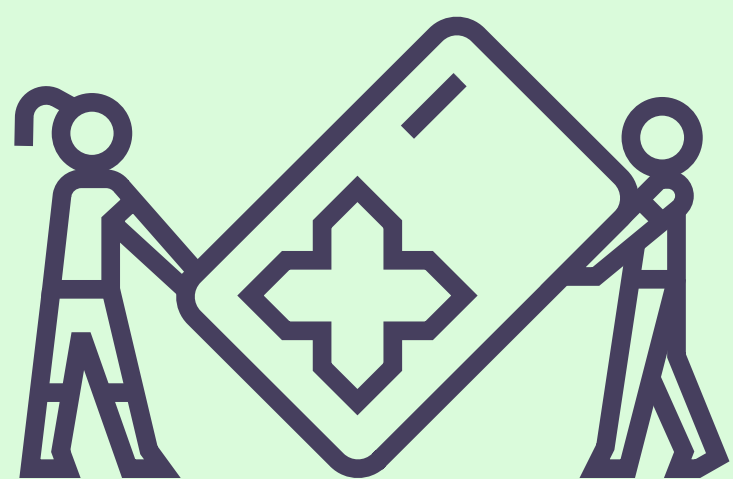

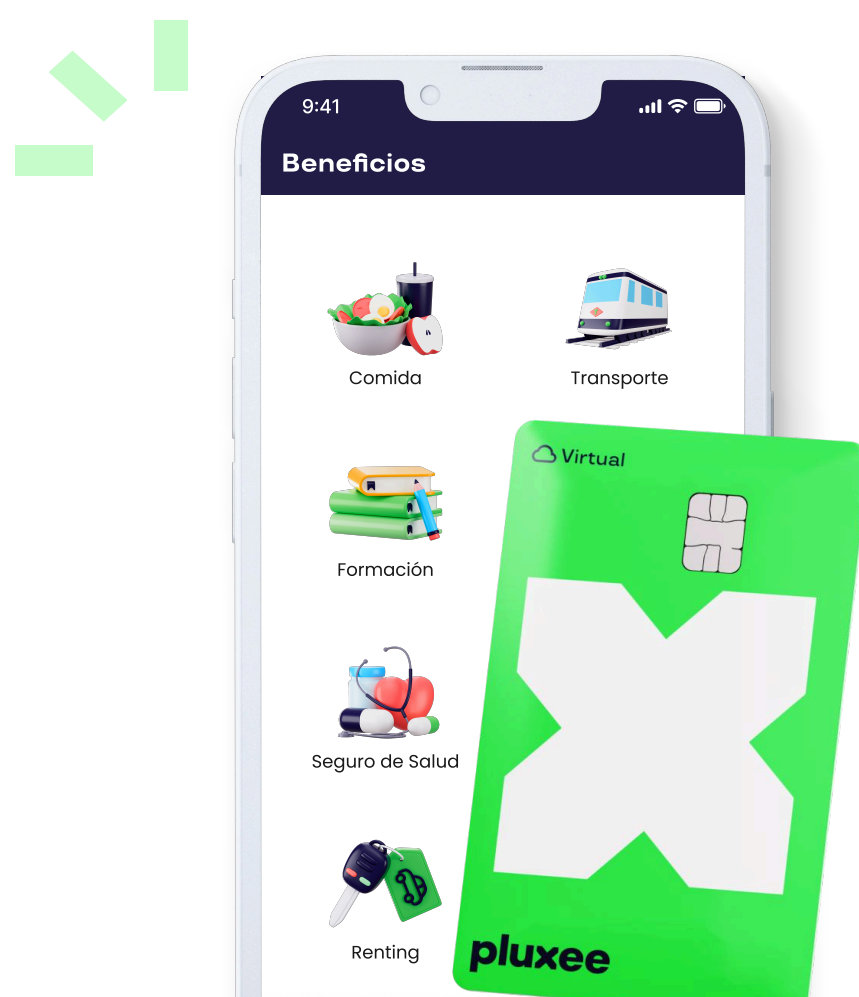

## What are the limitations?

- It can only be used in shops and services included in the benefits that your company has set up for you.
- It can only be used in establishments that accept VISA.

## What are the advantages?

- Card available in virtual and physical format.
- Immediate use of the virtual card after activating your account.
- Compatible with contactless mobile payments.
- Real-time control and monitoring from the app.

## Remember

Activate your account today and start saving from your first payment.
