

Hello!

Cobee by Pluxee is here!

Keep reading, this is interesting!

A new way to manage your **money and benefits** has arrived at your company.

### What is Cobee by Pluxee?

**Cobee by Pluxee** is the digital platform that creates, designs, and manages employee benefit plans in a personalized, flexible, and fully automated way.

### Why should I care?

- It's completely voluntary, with no strings attached.
- You can allocate part of your salary to your day-to-day expenses with exclusive benefits.
- Total flexibility: use it at your own pace and however you want.

### What do I get with Cobee by Pluxee?

By paying with part of your gross salary, you get access to products and services at a lower price than usual.

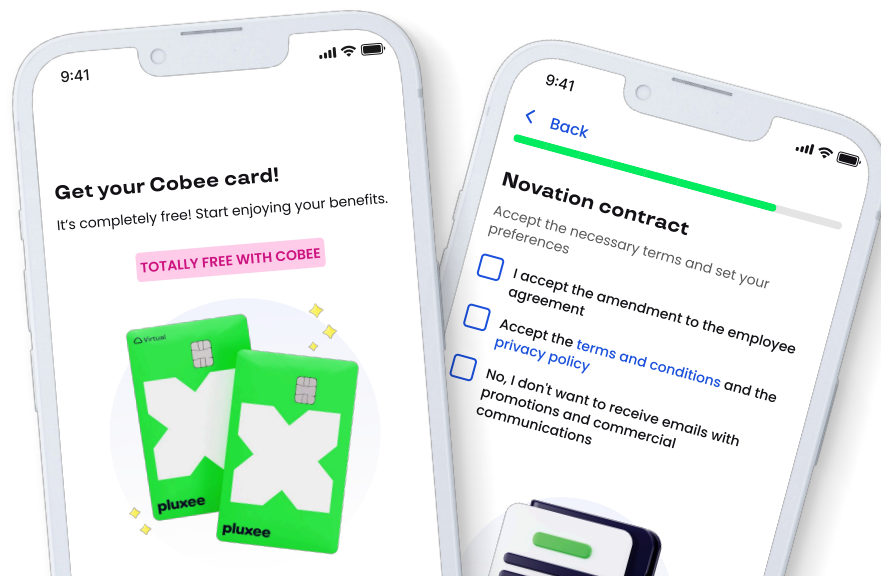

- More savings thanks to tax benefits.
- You'll notice it in your pocket every month.
- Check your savings in real time from the app.

You will receive a welcome email to activate your account. If you have any questions, find more information [here](#).

Haven't activated your account yet?

Activate your Cobee by Pluxee account today and start enjoying it with the only card that lets you save every time you pay!
