Your company cares for your health

♡ What is it?

As part of your benefits plan, your company offers you private health insurance that gives you access to a wide network of medical centres and specialists without affecting your salary.
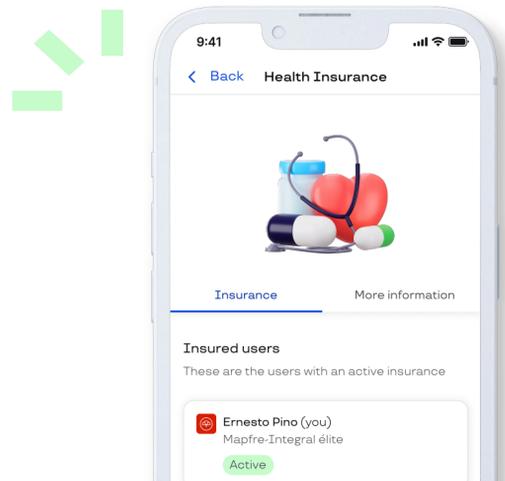

⊙ How does it work?

Everything is easily managed from your **Cobee by Pluxee** app. Just follow these simple steps:

1. Check your available policy from your app.
2. Apply for registration for yourself, with the option of registering your family members.
3. Once approved, you will receive all the details of your policy by email.
4. Your new insurance company will send you your medical card to use in hospitals and centres that are covered by your policy.

What are the advantages?

- Easy to activate policy with no unnecessary paperwork.
- Comprehensive coverage for you and your family members.
- Private insurance at no cost to your paycheck.

Haven't activated your account yet?
